

A DECADE PLUS of PROJECT MANAGEMENT @ SEA

WE WILL ASSURE YOU'RE AMAZED: We are excited to announce our 2019 Seminar @ Sea. This is the 14th sailing excursion PMI Galveston has delivered and is on track to be the absolute best ever. Every year, S@S attracts the most highly sought-after presenters who are masters at delivering cutting-edge, highly-interactive learning experiences in an entertaining way. (see next page for speaker lineup)

You will have fun learning as we sail and debark with new and powerful perspectives to elevate your Project Leadership game:

- ⚓ Sail from Thursday April 11th at 4 pm thru Monday the 15th at 8 am
- ⚓ Depart Galveston, TX on board the Carnival Cruise Line's Carnival Valor
- ⚓ Experience the spectacular port of call, the Caribbean Island Cozumel, Mexico
- ⚓ Take advantage of cheap flights into Hobby (HOU) or Houston (IAH) Intl Airports
- ⚓ Enjoy all on-board entertainment, amenities, drinks, and meals 24 hours a day
- ⚓ Have a blast while attaining 16+ PDU's & expanding your professional network

**MAKE
YOUR
OTHER
MEMORIES
JEALOUS.**

Carnival FUN FOR ALL. ALL FOR FUN.

Vendors' Table and PMI Information

PMI CLG President, AJ Collier (713) 854-2660 president@pmiclg.gov

Walter Viali, PMP, will be our Cruise Captain and host highly-interactive panel discussions with our Project Leadership innovators that will reinforce the durability of your having-fun while learning-in-the-sun experiences. Walter is co-founder of PMO To Go LLC, in Houston and led international PMOs for Texaco for over 25 years. He was a co-author of PMI's OPM3. Walter served as President of the PMI Houston Chapter, Society for Software Quality Houston Chapter, and, as PMI's Region 6 mentor for the South-Central US. He is also a PM instructor for the University of Houston.

How Did They Know? Learning from the Strategy Behind Marvel Studios' Blockbusters: Reach soaring heights on your projects by leveraging the strategic steps Marvel Studios used to construct a 10-year plan that optimally sequenced the delivery of their Super Hero vs. Villain movies to achieve a sustained blockbuster-level of success. Adapted from her book *What's Your Catalyst? The Power of Managed Change*

HistorEQ Emotional Accountability™: Use Project Anxiety to Build Emotional Intelligence - Like Washington, Lincoln, and Churchill:

Leave room in your suit case to pack an easy-to-use set of neuroscience-based principles to gain executive-level control of your emotions and decision making when facing extreme adversity on your projects.

Alana M. Hill, PMP leverages her top-tier engineering and interpersonal skills to work with organizational leadership to develop best-in-class strategic plans that ensure projects and people consistently reach and exceed their goals. Learn to lead change...The Ms. Engineer Way™!
